### ABOUT ANGELINA SUWOTO

traveling fairy and content creator

Angi Suwoto is a travel addict and lifestyle blogger fresh out of college. As an early 20s Asian-American world traveler connected with a wanderlust-filled millennial crowd, she aspires to show others the magical beauty of this world wherever she goes. She started her social media and blog to brighten up young adults' everyday lives with a fairytale-like whimsical style and fresh but honest writing, and believes that her voice can encourage others to bring joy into their own lives. She is always thrilled to partner with brands and companies that also value creating happiness, empowering minority millennials, and capturing new and beautiful experiences.
