## About Me

My name is Sarah Emmerick, I am 22 and from Valparaiso, Indiana. I initially started my account at the end of July while in quarantine, following a trip to Disney World, and found that I really enjoyed the small community of friends and followers that I had built! Not only that, but I found a love of creating images that I was proud of. My hopes for my account in the future is to continue to grow and connect with more people. I also hope to share and connect with brands I've been a longtime admirer of, in addition to new brands I discover.
