

Marcia Ward

ABOUT ME

A nurse, model, influencer and content creator who is rewriting the narrative of a modern day nurse who does it all. Saving lives as a frontline hero while inspiring and influencing people who have a love and appreciation for luxury travel, lifestyle, beauty, fashion, accessories and fragrances. I strive to create consistent modern lifestyle content that will strongly market and highlight the quality and experience of the brand/company. My passion of luxury lifestyle and travel resonates through my creativity.
