ABOUT ME

Hello, my name is Alex Linardos! I am a Chicago resident with a passion for my city and bringing people together. I created @MrSouthLoop as a way to engage with my community, informing my followers of local happenings while supporting nearby businesses. My wonderful partner and I are loving dog parents, and the three of us enjoy living in the South Loop neighborhood of Chicago. @MrSouthLoop helps me stay connected with my city and community wherever my day job as a Flight Attendant takes me.
