Transactional SMS

Transactional SMS at lowest price – On an average, compared to other bulk SMS service providers, Jaipur Digital Marketing Provides a platform which is affordable and feasible. Our primary concern is that, users should get the maximum advantage and complete satisfaction from our services. Our services are budget friendly and very affordable. We provide cheap transactional bulk SMS.

Example of transactional SMS

Transactional messages are not intended for marketing purposes. Their main motive is to convey the required information to its users. The following are the examples of transactional SMS:

▶ Dear Customer,

Thank you for shopping from Flipkart. We will notify you when your order is shipped.

▶ Dear Customer,

Your OTP for single use is 74561. Only valid for 20 minutes. Keep it confidential.

▶ Dear Customer,

Rs. 200 was spent on your debit card on 21-3-2018 at Paytm. Available balance in your account is 5,700.

Promotional SMS

Promotional SMS are sent with the objective of promotion of your products and services. These are basically used for Branding, Advertisements, Marketing, to Increase your sales, offers, etc. Promotional SMS can be sent only on NON-DND numbers from 9AM to 9PM via Numeric Sender IDs (567789).
