ABOUT DJENANE

DJENANE'S AUDIENCE

My name is Djenane Celestin, I am a passionate fashion, beauty and lifestyle micro-influencer who creates stylish looks on a budget.

I love the expression that comes with fashion and being able to show your personality without saying a word. Anywhere I go I ensure I serve looks head to toe.

I have upcoming collaborations with brands and boutiques such as Mayvonn Hair, Beegache, OG Midnight Snack and H.E.R. Exclusive.

I use Instagram as my main platform to showcase my outfits and personal aesthetic but I also post content such as styling videos and shopping hauls on YouTube and TikTok.

My social media channels audience is made up of 60.2% female and 39.8% male from age ranges 18-34. My Instagram has over 1.4k followers, 15,000 impressions per month, and an engagement rate of 7.9%
