ABOUT ME

I'm Polish huntress, with German hunting license. I'm currently living in Germany. I've started my journey with Instagram in January 2021 as a creative outlet for me to express my love for hunting, outdoors, dogs and cooking.

In my opinion hunting doesn't end in the forest, and it's important for me to show the whole journey from A to Z. I'm taking pictures in different arrangements, while training with dog, hunting, cooking or in my free time outdoors. My goal is to introduce people to the life of hunters and everything related to it.

ENGAGEMENT

It's important for me, that people engage with content I create and share. I always reply to every comments and DM's to built community which resonate well with me.

I have to admit, that I've got outstanding result with that.

My engagement rates are around 25%. Many of my posts was shown as TOP pictures even under 290 Million size #hashtags, and were on Explore Page displayed by tens of thousand people in very short time.

This year my post are seeing even 5 times bigger audience.
