ABOUT ME

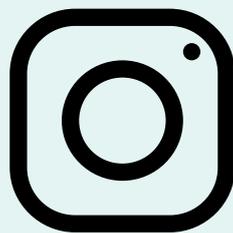

My name is Araceli and I am a momma and wife who loves to learn as well as teach and share new things. I am always up to something new and I constantly challenge myself to step out of my comfort zone. Five years ago I started my YouTube journey and I haven't looked back since. I share a little bit of everything from motherhood, lifestyle, DIY projects and home improvement and having fun while I do it. My love for creating has pushed me to reach for a broader audience. Aside from growing my YouTube channel, I am also working on expanding my social media presence..

ARACELI CHAN
DIY

Araceli Chan DIY is dedicated to creating easy and budget friendly DIY projects. I love creating home decor and organization pieces that are unique and versatile. I strive to make home improvement easier for those with little to no expertise. I am not an expert myself, but I also enjoy learning as I go.. One of my goals is to teach my viewers how easy it is to create something amazing without spending a lot or having to be an expert.

ARACELI CHAN LIFESTYLE

Araceli Chan Lifestyle is a place I get to share my personal life. In this channel you'll see topics dealing with motherhood, life, the struggles of balancing it all and tips to make life easier. I also share health, fashion and beauty tips from the perspective of a not so cookie cutter "influencer."

All about the socials ARACELI CHAN

My Instagram page is just a place where I like to share little snippets of my everyday life. Whether it's a new outfit or or a much needed selfie, my posts are just that. I like to share what goes on behind the scenes, keeping it real and posting more than just the highlight reel.

My Tik Tok account is fairly new. It started out as a place for motivation to lose weight, get strong and be healthy.
