MADGE & BISKET

Madge and Bisket are the alter egos of Stephanie Michel and Wayne Noffsinger, who were born from their friendship in the middle of rural Wyoming. Since 2018 Madge and Bisket have steadily grown through social media by encouraging self-acceptance, self-expression, and being comfortable in your skin.

THE LEGENDS

Madge and Bisket are the international superstars of dumpster-strewn alleys in Paris, New York, and Alpine, Wyoming. They ooze style but can jump-start your car and wrestle a grizzly in the snow without spilling their cocktail.
