BOOKISH & LIFESTYLE INFLUENCER

ABOUT

Hi, there! I'm Olivia, I'm a full time middle school English teacher and full time YouTuber. I currently focus my channel on all things bookish and journaling. I like to mix the two together for my own ongoing series of Journaling Book Reviews. I love to include lifestyle portions as well, in my other series of Weekly Vlogs. I also have an Instagram and Patreon, in which I promote books, journaling, and my personal life is woven throughout.
