About Us

TNV is a page curated by Saloni Kapur (United States) and Shivani Alavani (India) that focuses on fashion, beauty and lifestyle content. We aim to inspire our audience with our content and bring attention to different aspects of topics that interest us like interior design, architecture, spirituality, positive outlook along with our main focus. Our audience is 87% women and 13% men continuously growing from various parts of the globe. In the age of social media we love to contribute to the world our take on topics we love and feel passionate about.

We wish to collaborate with brands which align with our niche and what we believe in, in order to grow and promote them organically .
