68.3% women  
31.6% men  
52.9% aged 25-34

The content I create is fashion focused and always in high quality and creatively made. I believe if you look good, you feel good, therefore my goal is to inspire girls like me to step out of their comfort zone and dress as if the world is their runway. I provide tips and ideas how to style outfits and match accessories. Nice skin, good makeup, gorgeous hair and an outfit on point can do wonders for a girls self confidence.
