## About me

Hi, I'm Allison! Welcome to Wonder Crochet, where I provide crochet tips, kawaii inspiration, cute designs, tutorials, and much more. Let's create together!

My followers love all things crochet, crafting, kawaii, and creativity. They trust me with product recommendations because I promote them in an honest, authentic, and energetic way. I can crochet anything just by looking at it. Want to promote your brand? I can create crochet items and characters to compliment it or even crochet your brand mascot or products.

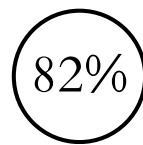

I specialize in video marketing with my most successful posts residing on Instagram Reels and TikTok.
