Hi there!

Thank you for your interest in collaboration. I cannot wait to see what we create together. I have left some information about myself so we can get better acquainted. I look forward to speaking with your team!

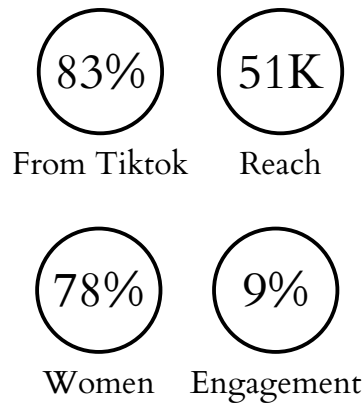

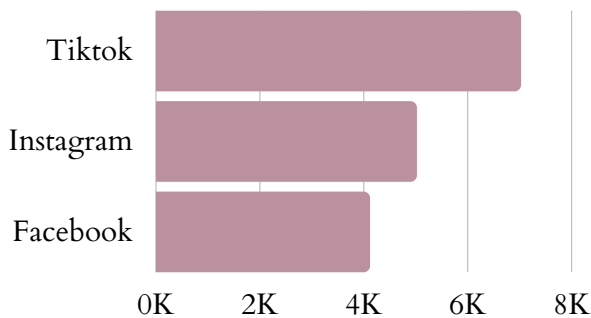

Let's work together!

I enjoy recording and editing videos so I am always looking for new collaborations with brands that are cohesive with my personal brand. While I am a micro-influencer I have gained a lot of traction off of tiktok that I am now converting to Instagram as well as creating a YouTube channel.
