## ABOUT ME

Since I can remember, I have had a passion for art in all its expressions and thanks to this I immersed myself in the wonderful world of artistic makeup. I am a passionate, creative, spontaneous person, able to adapt and dedicated to achieving my goals. I also consider myself an introvert, but this has not been an impediment to show my talent, on the contrary, through makeup I can express myself freely and communicate what I feel to others, that's why I love what I do so much.

## EXPERIENCE

- Proper management of photo and video editors.
- Good performance creating entertaining makeup tutorials for my audience.
- Good performance creating transition videos.
- Realization of artistic, surreal and bodypaint makeup.
- Realization of social and natural makeup

## VISION

I want to show my audience that makeup is an important tool for free and creative expression, my expectations include being able to teach others the power that makeup has, not only to enhance appearance but also to convey a message and be a inspiration for those people who may be shy about showing their talent to the world.

## STATISTICS

I publish weekly 2 to 3 authentic posts, tutorials, stories, surveys, reviews, tips, or hacks to keep my audience active and informed.
