

MAC DINGLE

Lifestyle Influencer

About me

Hello! My name is Mackenzie, and my friends call me Mac. I'm a social media curator, influencer, and vlogger passionate about bringing wholesome and positive lifestyle content to my online community.

By taking people along on my morning coffee chats, my love for a solid home decor haul and slight obsession with matching loungewear, my overall goal is to inspire my community to see the beauty and happiness in life's smallest moments.
